FIG. 7 is a perspective view of a device 110, which is a rectangular block with a top surface 90 and side surfaces 94. The device 110 includes a plurality of cylindrical features 92, which are arranged in a grid pattern. The features 92 are shown in cross-section, revealing internal structures 96a and 96b. The features 92 are connected to a common electrical or fluidic network 94. The device 110 is shown in a perspective view, with dashed lines indicating hidden internal features.
